## ABOUT DLPE ASIA

DLPE Asia was first organized in the year 2013 and since then it has been progressively growing. DLPE Asia serves as a great platform for bringing together visitors from Across the globe to interact and connect with the leading International Dairy, Livestock and Poultry technology Companies.

DLPE Asia is one of the prime Exhibition on Dairy, Livestock and Poultry farming which covers all the major and minor aspects of the Industry. This event on Dairy Technology, Poultry Farming Equipment's and Livestock Farming offers exhibitors the opportunity to promote their Products and services to a highly engaged and targeted audience of Indian and international visitors in a focused business environment.

## ABOUT GPDFA

GP DFA is considered as a pioneer in the overall development of dairy farmers of Gujarat. With technical support from AMUL and the government, GP DFA was Established in 2010. GP DFA prioritised introducing technological advancements and promoting an entrepreneurial culture in the dairy industry.

They assimilate relevant information from countries all over the globe to arm Dairy farmers with all that they need to know to compete with global standards. GP DFA aims to push the dairy industry to the next level, the goal is to ensure Farmers maximise the benefits that they work hard for.

## SCENARIO OF DLP INDUSTRY IN INDIA

India is World's highest livestock owner at about 512.05 million species.

It also provides employment to about 8.8% of the Indian population, majority of which is women.

India is the highest milk producer in the entire world.

Post Liberalization, the output of Dairy Industry in India is growing at 5% per annum. Currently, we are producing more than 13% of the total milk production of the world, yet the per capita milk availability is comparatively low.

Poultry industry, which started as a backyard activity, has now transformed into a well organized, scientifically oriented and technologically driven industry. Today, our Poultry industry is growing at around 10% per annum.

**200+** Exhibitors

**1,25,000** Total No. of Visitors
